This bootcamp is the ideal way to learn about wine. The theory you learn in the classroom is brought to life during the winery visits. It's lots of fun and we have a 97% pass rate at the WSET Level 2.

### ITINERARY | DAY 2

---

#### SATURDAY, JULY 27<sup>TH</sup> – WHITES & ROSÉS

##### 9.30 AM – CLASSROOM SESSION

We start the day in the classroom learning all about the intricacies of winemaking, with more insightful tastings of beautiful wines. Lunch is on your own, and then we set off in the luxury bus to visit two more iconic wineries, this time in East Kelowna.

##### TANTALUS

Our first stop is Tantalus Vineyards, a pioneering property that ranks among the top wineries in Canada. Here, we are led by a member of the winemaking team with a focus on white and rosé winemaking options. As we tour the crush pad and cellar, you will taste wine from tank and barrel to really understand how wine is made, bringing the textbook to life in your glass. Tantalus and winemaker David Patterson were instrumental in the creation of the new East Kelowna Slopes GI. We learn about this unique terroir as we taste their transparent, terroir-driven Rieslings, which are a class of their own. [www.tantalus.ca](http://www.tantalus.ca)

##### MARTIN'S LANE

A short drive away is Martin's Lane, a stunning, state-of-the-art winery with no expenses spared. We are hosted by winemaker and general manager Shane Munn, who is both engaging and insightful. Our focus turns to Pinot Noir, and we taste through Martin's Lane single vineyard Pinots next to top wines from Burgundy and Central Otago. Few in the Okanagan can speak to Pinot Noir like Shane, and he draws his experience in both regions to thoughtfully explain the differences. You'll remember this visit for a long time. [www.martinslanewinery.com](http://www.martinslanewinery.com)

We arrive back at the hotel at around 6pm for a free evening. Dinner is on your own, and there are a number of fantastic options nearby including:

- [Waterfront Wines](#) – a fantastic wine bar with top-notch food from Chef Mark Filatow
- [Raudz Regional Table](#) – farm-to-table food at an Okanagan classic
- [Vice & Virtue](#) – enjoy a beer paired with delicious small bites, burgers, and sandwiches

### ITINERARY | DAY 3

#### SUNDAY, JULY 28<sup>TH</sup> – SPARKLING & REDS

##### 9.30 AM – DEPART HOTEL

It's a jam-packed day with no time for the classroom. We head off at 9:30am for a whole day exploring the South Okanagan.

##### BLUE MOUNTAIN

We start the day by focusing on sparkling wine at one of Canada's leading bubble producers. Blue Mountain continues to go strength to strength, with a clear vision of who they are and where they're going. Somehow the wines continue to reach another level every year, and there's a precision to the viticulture and winemaking here that is nearly unmatched in the Okanagan. After touring the cellar, we taste through their impressive portfolio of sparkling wines next to top benchmarks from around the world, including Champagne. [www.bluemountainwinery.com](http://www.bluemountainwinery.com)

##### PHANTOM CREEK

From Okanagan Falls we head south to Oliver and the famed Black Sage Bench. The first stop is Phantom Creek Estates, a lavish new winery with a cellar that you have to see to believe. We start with a delicious three-course lunch from their critically acclaimed restaurant, which is recognized as one of the best in the Okanagan. The focus here is on Bordeaux red varieties, and we learn about Cabernet Sauvignon, Carmenère, Malbec, and Merlot by tasting wines from Phantom Creek next to top international examples. You'll be talking about this experience for a long time. [www.phantomcreekestates.com](http://www.phantomcreekestates.com)

##### BLACK HILLS

Next, we're hosted by our friend, winemaker Ross Wise MW, across the street at Black Hills. In only a few years, Ross has re-established Black Hills as one of the leading wineries in the Okanagan, and the demand for these wines has never been higher. We're hosted in their cellar where we focus on Rhone varieties, tasting Viognier, Syrah/Shiraz, and Grenache. You'll learn from one of Canada's top winemakers in an unparalleled experience that you just can't get anywhere else. This is the Fine Vintage difference. [www.blackhillswinery.com](http://www.blackhillswinery.com)

We return to the hotel in the early evening and tonight is on your own to relax, study, and prepare for tomorrow's exam.
